geizka.fahriza@gmail.com

East Java, Indonesia

Profile

Programmer and game developer. Highly interested in understanding systems and graphics. I really like to debug deep engine source code to fix problems. I can code procedural or OOP using SOLID architecture. I am also experienced in multiplayer using replication and RPC. Highly proficient using C#, C++, Unreal Engine, Unity.

Education

Sepuluh Nopember Institute of Technology
Surabaya, East Java, Indonesia
Informatics Engineering
GPA 3.62
Cum Laude

Key Skills

Programming
Graphics

C++
C#

Unreal
Unity

Academic

Achievement & Experience

- Finalist at Indie Game Ignite Compfest 11
- Student award at Indie Game Ignite Compfest 12
